BGN A Level Success

Students at Blessed George Napier School are celebrating an excellent set of A Level results. The school's strong academic performance was reflected in Physics, where 55% of pupils achieved the highest grades of A* to A, demonstrating exceptional attainment in this challenging subject. We are especially delighted that over 45% of grades achieved were A*-B, a testament to the commitment and determination shown by all at BGN. Students will be heading to some of the UK's top universities, including Oxford, St Andrews, Birmingham and Southampton to read subjects ranging from Biochemistry to International Relations.

Sean Masterson, Headteacher said: "Congratulations to our students on their outstanding A Level results. These achievements reflect months of hard work and dedication, as well as the values they have lived out each day at Blessed George Napier. Throughout their time here, our students have shown resilience, kindness and a commitment to serving both the school and wider community, enriching school life and embodying our Catholic ethos.

"We are delighted to see their efforts rewarded with excellent results and exciting university offers. We are also proud of the friendships they have built, the support they have shown one another, and the example they have set for younger pupils. We are deeply grateful to their families and our staff for their unwavering encouragement and dedication.

"Pupils are keen to be part of this thoughtful and inclusive schoolenjoying learning and showing kindness are part of everyday life... Pupils talk positively about the support provided for their physical and mental well-being and study an ambitious curriculum." *Ofsted, November 2022*

"As our students move on to the next stage of their lives, they do so with not only impressive qualifications but also the character, values and sense of purpose that will guide them well in the future. They will always remain part of the Blessed George Napier family, and we wish them every happiness, success and blessing in the years ahead".

[Picture above shows Nathaniel and Josemari]

Among those celebrating today are Josemari and Nathaniel, whose outstanding achievements have made the whole school community immensely proud. As valued members of the Pupil Leadership Team, they have led by example, inspiring their peers through their dedication, character and commitment to excellence.

Josemari achieved an exceptional 3 A*s and an A, and will go on to study Mechanical Engineering at the University of Oxford. Nathaniel also secured a remarkable 3 A*s and will be reading Civil Engineering at the University of Manchester. Their success is a testament to their hard work and determination, and we look forward to seeing all they accomplish in the years ahead.

[Picture above shows Pietra and Daniel]

We are also delighted to celebrate Pietra, who achieved an outstanding 2 A*s and an A. She will be studying Biochemistry at the University of St Andrews, taking the next exciting step in what promises to be a bright future; whilst Daniel achieved an excellent A*, 2 A's and a Distinction and will be reading Computer Science at the University of Birmingham.

These students have not only achieved superb academic results but have also enriched our school community, and we send them our warmest congratulations as they embark on their next adventures.
