Dear Parent/Guardian

Languagenut: the new MFL homework platform

I am pleased to share details with you about **Languagenut**, our new homework platform for MFL at Blessed George Napier School.

This week during their MFL lessons, pupils will be given a printout with their login details, as well as a QR code that logs them in automatically, and they will be asked to record their username and password in their planners.

Here's how to get started:

1. Search for '**Languagenut**' on Google or visit www.languagenut.com or download the free iPad app.
2. Click on '**Login**' (located at the top right or middle right of the page).
3. Enter the personal login details provided to your child.

As you may know, regular practice is key to learning a language successfully. Weekly homework will be set on the platform to practise the vocabulary we have been covering in class, and pupils are expected to complete this on time, either at home or in the LRC. Weekly homework detentions will run for any pupils who do not complete the homework punctually.

To assign work, track progress, and enable participation in a global league table, the platform requires your child's name. Please rest assured that Languagenut uses this information solely to provide the service and does **not** advertise, share, or sell any personal data. You can read more about their privacy policy [here](#). Pupils should not upload any personal images to the platform. While Languagenut works on all browsers, they recommend **Google Chrome** for the best experience.

If you have any questions or concerns, please do contact your child's MFL teacher in the first instance.

Yours sincerely

Mrs E Morgan
