Dear Parent/Guardian

School Building Fund

Thank you to those parents/guardians who already contribute to our building fund. BGN has run a school building fund for over 15 years, which is supported by parental contributions. All proceeds are used to maintain and improve our school buildings and ICT provision.

Parent and guardian contributions, in the past, have enabled us to upgrade the computers in classrooms across the school. It has also contributed to new furniture for our Learning Resource Centre. Thanks to your generosity we are continuing to furnish our facilities to a high specification for the benefit of your children. The focus for 2026/27 will be to improve the outdoor area with more seating and recreation facilities.

The Local Governing Body have suggested the contribution to the fund of £2.50 per student per month, or £3.75 for a family per month. Our preferred and most convenient method for collecting this contribution is via a monthly standing order.

Please also note the gift aid declaration attached to this letter. Completion of this does not involve any extra payment by you. For every £1 you donate, the Inland Revenue will return an extra 25p. Therefore, for a yearly donation of £30, the Inland Revenue will give the building fund £7.50, making a total contribution to the school of £37.50.

Times are difficult for schools financially, but with your help we believe that together we can achieve the best for your child/children.

Please do consider completing and returning the attached form to the school. If you cannot make a standing order, you are welcome to send in cash or a cheque, payable to BGN School.

Thank you for your support, which is always very much appreciated.

Yours sincerely

Sean Masterson
Headteacher
