Dear Parent/Guardian

## A-level Science Textbooks

Textbooks for all science subjects are now available for purchase from the science department. We are able to offer these at a reduced price compared to RRP. The books are sold as a study pack, and include the recommended textbooks and revision guide for each course. Chemistry and physics also include a workbook. Maths study skills revision guides are also available for each subject.

If you would like to purchase these books, please complete, sign and return the attached slip to Student Services [located next to Reception]. Your payment can only be made by ParentPay. If you do not have access to the internet, cash payments can be made via a PayPoint facility together with a Bar Code Letter provided by us upon request.
