Dear Parent / Guardian

Asthma Inhalers

As the cold weather is now upon us, we are asking all parents with children who are asthmatic to ensure they have their reliever inhaler on them while they are in school.

We also advise that an emergency inhaler is kept in school and we are happy to store these in our medical cabinet in Student Services. As with all stored medicines we would need the inhaler to be in a box with a prescription label on it and a school consent form to be completed for our records.

If you have any concerns or would like to keep an emergency inhaler in school, please do contact us at the school office.

Yours sincerely
