### 16 – 19 Tuition Fund Plan

September 2020 – August 2021

#### **What is this funding?**

BGN has been allocated the amount of £2874. This money will be spent predominantly on supporting students who have not achieved a grade 4 in GCSE English and/or Maths. However, if we have funding available, we will also consider whether any student with a grade 4 in GCSE English or Maths.

#### **How will the funding be spent?**

BGN will prioritise students (based on the above criteria) that will benefit most from small group tuition. We will also have regard to the needs of any students with special educational needs and disabilities (SEND), particularly where they have experienced additional disruption to learning as a result of their specific needs and disabilities. The funding may be spent on support for other areas for those identified students but students must still meet the criteria. A record of identified students, the criteria they meet, and their tuition details will be recorded on a template.
