Dear Parent/Guardian

Covid-19 cases in Year 10

You will be aware, following the letter we sent earlier on today, that schools are now no longer responsible for the track and trace of close contacts after a positive Covid test result.

However, even though this is now the case, we felt it necessary to inform you that two students in Year 10 have had positive lateral flow tests and are awaiting PCR results and one other student has had a positive PCR result.

If your son/daughter is identified as a close contact of one of these cases, it is our understanding, following the new guidance, that you will be contacted by NHS Test and Trace.

Obviously, given the high number of cases currently in Oxfordshire, we would advise that you continue with the lateral flow testing programme. If your child develops symptoms, you should arrange for a PCR test as soon as possible.

Yours sincerely

Niamh Dolan
