There are also many sporting activities, including Rugby, Cross County, Football and Athletics and these may change in Spring and Summer. Year 7 Parent Events

Year 7 Welcome Mass – Thursday 23rd September 2021

Year 7 Parents' Evening – Thursday 21st October 2021

School Uniform

We have a strict uniform policy, which is compulsory for Year7 to Year 11. The full uniform and equipment list can be found on our school web site - Our School/Uniform and Equipment.

Punctuality

At BGN we encourage all students to arrive to school on time ready for the day ahead. If students do arrive late to school or need to leave school early, they must sign in/out with the Attendance Officer and have a note confirming the reason for arriving late/leaving early. If your child arrives late to school on two occasions without a valid reason, an after school detention will be given.

Behaviour and Expectations

Behaviour at BGN is outstanding. At the heart of our behaviour for learning policy are our school values of compassion, respect, truth, service and forgiveness. We operate a simple behaviour system, the details of which can be found on our school web site -Our School/Policies/Behaviour for Learning Policy.

Year 7 Curriculum and Assessment

In Year 7, students will study RE, English, Maths, Science, History, Geography, French, Music, Art, PE, Computing and Design and Technology. Year 7 also have 1 hour of PSHE a fortnight.

Students will be assessed throughout year 7. There will be 3 formal assessment points, where student progress information will be available for parents on their VLE log-in area. For 2 of the progress reports, students will receive a Working At Grade (WAG) and an Attitude to Learning (ATL) number.

These will be more fully explained in the accompanying report letter when reports are uploaded to the VLE. Student progress is measured against their target Minimum Expected Grade (MEG), which is externally generated and used to see if they are working at, above or below that grade. This enables us to implement support where necessary.

The full progress report will be a more detailed report, with teacher comments and targets for improvement.

Student Planner

To support students with organisation, each student is issued with a planner. This holds useful information about school and subjects. It also enables students to record their 2 week timetable, so they can ensure they are properly equipped each day. All homework should be recorded on the day it is set, with a deadline for completion. We request that parents check the planner on a weekly basis and sign to say they have done so.

School Clubs and Extra Curricular Activities

At BGN, we offer a range of extra-curricular opportunities. These can be found on our web site – Students/ Extra Curricular clubs – we are currently in the process of updating this. Please be aware, that our sports training activities change termly. Students will be informed by the PE Department. Sporting fixtures will also be communicated to students involved.

Parking

Please remember that Addison Road must not be used to drop off or pick up students at the start and end of the school day. This is a site access road only to be used when parking on the school grounds during the day and must not be used for access after 5pm.

Vehicles must not park anywhere near the school gates, zigzags or zebra crossing in Springfield Avenue at any time. Parents are advised to pick up and drop off as far from the school buses as possible and on a road other than Springfield Avenue wherever possible.
